

Sweet Candy of Mine

Setting: The story has the Moon as a setting. The Moon Mall, just like in the 80's is inhabited by different characters, composing the atmosphere and adding to the mall environment. It's a fun place to be, but weirdly things start to happen, just because of an honest mistake.

That's Right. But something happened and now Candy Kane will have to figure out who ate the whole batch before the store even opened, and how did they get inside in the first place.

PAGE FOUR

Panel 1:

Candy and Farney are in disbelief of what they see. Candy Kane cries. She invested all of her dad's money on this new chocolate. It was her last try.

1Caption: Olman is the one responsible for this mess. I guess in his rounds around the mall, he found a sweet spot.

2Candy: Why did you do that! You're a piece of trash! You ruined me and my career!

3Farney: Candy, calm down, we have to take him out of here first.

Panel 2:

Sarah arrives holding a taser in her hand, ready to arrest whoever is causing the commotion.

4Sarah: I knew it was you Olman! Now I'll have to remove you from the mall permanently. I have given you so many chances and once again, you blew it!

Panel 3:

Olman is laying down on the floor, completely out of his mind.

5Caption: Olman starts to have some spasms. It looks like his body is getting bigger.

6Candy Kane: What the hell is going on with him?

Panel 4:

Sarah looks at her clock, she makes a note to mark they found Olman 5 minutes ago inside the storage.

7Caption: Olman is definitely getting bigger. Now Farney, Sarah and Candy will have a bigger problem on their hands

Panel 5:

Candy Kane reads the package for the ingredients and the side effects, in case Olman is allergic to any of the ingredients.

9Candy Kane: Guys, I'm checking for the ingredients, do you know if Olman has any sort of allergy? I guess the Martian Sugar might have caused some odd allergic reaction.

PAGE FIVE:

Panel 1:

Olman is now twice the size he was before. Candy looks from afar.

1Caption: Candy is in disbelief of what she is seeing. Olman ate the chocolate and had an allergic reaction.

2Candy Kane: He comes over, destroys my store, eats my merchandise and now we find out he is allergic to it?

3Farney: What's going to happen now? He's only getting bigger, we have to figure out what are we going to do next.

Panel 2:

Sarah checks the rest of the store and the drawers, to make sure nothing else was stolen, besides the chocolate.

4Sarah: Girl, you are doing good in life. Damn! Look at this amount of money!

Panel 3:

Candy Kane wipes the tears from her eyes. The devastation throughout the store is visible. All the costumers have left, there are no more customers waiting outside.

6Farney: I have been checking in on the cameras, and about 3am Olman walked in and started eating all the candy. I mean... Everything.

Panel 4:

Olman is still laying down at the back storage. There are candy wraps in his belly.

7Caption: Olman didn't know he was allergic to the Martian Sugar.

8Caption: Olman has diabetes, that might be what is causing the reaction. His stomach keeps making a strange noise.

Olman has thrown Sarah across the room into the door.

SFX: KABOOM!

4Farney: (worried) Sarah are you ok? This is getting dangerous, I'll go grab help!

Panel 3: Farney walks around the mall as he sees Brian, the owner of the Sports Store. Brian is a nice guy, but much like Candy Kane, he is a little air headed.

5Caption: Brian is just randomly walking around the mall. Seems like he is also distractively looking for some help.

6Farney: (exhausted, out of breath) Brian! We need your help at the Candy Kane Store! Olman ate the entire store, and he's now having an allergic reaction.

Panel 4:

Brian Looks confused with the situation. He scratches his head, trying to understand Farney.

7Brian: Is Candy Kane ok?

8Faney: She is devastated, you know she was waiting for this for a long time.

Panel 5:

Brian and Farney walk to the store. The inside of the mall is the typical mall look. Full of stores, with sale banners all around, a food court and escalators.

9Brian: She is great in what she does, definitely since she got back from those pastry classes in France. She is doing so much better. Have you tried the new chocolate?

1Farney: Have you heard absolutely nothing of what I said?

PAGE SEVEN:**Panel 1:**

Farney arrives at the store with Brian

1Caption: Brian is quite familiar with the Olman situation. Maybe not with the unexpected growth, but with the growling noises.

2Brian: Man, my dad has the same problem! This is somewhat of a severe allergic reaction to the Martian Sugar. Everyone has a different reaction to it.

3Candy Kane: Do you think you can help us out?

Panel 2:

Brian pulls out a syringe, he carries around just in case something happens with his dad. He sticks it into Olman's upper right thigh.

5Caption: Sarah is so mad, she might strangle Olman with her bare hands.

6Brian: Ok, we should take him outside.

Panel 4:

Brian and Farney carries Olman outside. They lay him close to the dumpster. The day is still bright, and Olman is covering his face from the sun.

Panel 5:

9Candy: I have to make some phone calls. I'll be out here for a minute.

PAGE EIGHT:

Panel 1: Candy pulls out her phone and dials the number. On the other side, her dad answers.

1Caption: Candy still hasn't learned how to deal with things on her own.

2Candy: Daddy! Did you hear what happened this morning? All my merchandise is gone. It was all eaten by the homeless man that lives at the mall!

3Candy's dad: Oh honey, I'm so sorry! What can I do to help?

Panel 2:

Candy is still on the phone with her dad. The day is bright and there is a shadow behind her. It's Olman behind her.

4Candy Kane: I need more money to fix this catastrophe! I will also need you to call the press and take care of the bad news. I want this to be perfect.

Panel 3:

On the other side of the line, we see Candy Kane's dad writing a few things on a paper.

6Candy Kane's dad: Don't you worry baby girl. I'm going to take care of this.

PAGE 9

Panel 1: Candy is as surprised as she could be. So, it was her fault after all, that things didn't go as expected again.

1Caption: Tables are turning into Olman's favor.

2Candy Kane (Thought): Maybe I did leave the door unlocked, I was in such a hurry last night.

3Olman: I figured that you were not going to miss those chocolates, I just didn't realize I ate all of them.

Panel 2:

4Candy Kane: What do you mean I wasn't going to miss those chocolates?

Panel 3:
